SCOTCH DOUBLES TOURNAMENT

TOURNAMENT RULES

FORMAT: Each team will roll 5 games. Each team will consist of 3 girl/boy couples. The girl bowler will roll the first ball of each game, and the boy will attempt the spare. Should the girl get a strike, the boy will not bowl that frame, but he will roll the first ball in the next frame and the girl will attempt the spare. Should the boy strike, return to the original format with the girl leading off. Continue this format through the 10th frame.

1. Substitutions can be made at the start of each new game only. Each new bowler will get to throw one ball on each alley before the next game begins. (Do not clear the previous game's scores from the computer until the subs have completed their practice balls.)
2. At the end of each game, promptly bring your team's score sheet to the scorer's table. Scores will be posted as they are verified.
3. Each coach should pay close attention to the scoreboard to watch for errors. If an error occurs, please ask for assistance from one of the assigned workers.
4. If any questions arise during the game, consult the scorer's table before the next frame is started. Once a frame is complete, those results will be considered final.
5. The top 4 teams will qualify for a one game, step-ladder final. If there is a tie within top 4 teams, highest game will determine positioning. If there is a tie for 4th place, each team will roll one game to determine 4th place.
6. If there are any ties during the step ladder final, those teams will bowl an additional game for total wood.

AWARDS: 1^{st*}, 2nd, 3rd, 4th place team awards.

*1st place team will also receive individual awards.

1st - 3rd place High Game Couple
